

K-Gold

Organic Solvent Degreaser

Instructions

DESCRIPTION: Nature's Way K-Gold is a safe, biodegradable solvent that contains no petroleum or citrus components. It is formulated to quickly penetrate and remove petroleum or food based materials, including water resistant greases, tough carbon, tar, and asphaltic materials, mastics, rubber marks, graffiti, and many industrial protective coatings.

PURPOSE: Removes greases, tar and asphaltic compounds, glue, rubber marks, and many industrial coatings. Rinses completely with water, leaving surfaces clean and residue free. Use for cleaning / degreasing concrete, metal, industrial equipment, tools, dies, molds, lift stations, and wherever difficult to remove substances exist. Particularly useful indoors or poorly ventilated spaces and environmentally sensitive areas.

HOW TO USE: Apply K-Gold liberally to dry surfaces using sprayers, rollers, or pouring. When using brushes or mops, allow 10 to 15 minutes soak time before scrubbing. Agitate as necessary, using additional K-gold if necessary to facilitate scrubbing. Allow additional soak time after scrubbing (10 to 30 minutes) if required. Rinse well, using as much pressure as possible to avoid leaving residues. If using a pressure washer, apply and allow 20 to 60 minutes soak time before rinsing. K-Gold forms a biodegradable white emulsion in rinse water that is non-toxic to microbes in sewer systems and fully soluble. Always follow local regulations concerning proper disposal.

WARRANTY: Nature's Way products are manufactured in accordance with strict quality standards, however due to the many variables and site specific conditions and requirements involved with the bioremediation process, and the inability of Integra Environmental, Ltd. to control these specific conditions, this product is sold "as is", "where is", with no warranties, express or implied with respect to this product or the performances thereof. All implied warranties, including, but not limited to, implied warranties of merchantability and fitness for a particular purpose are hereby disclaimed.

The Nature's Way Line of Products is covered by U.S. Patent number 5,561,059

ALL INGREDIENTS ARE COMPLETELY BIODEGRADABLE
